

Education Training Summary

Applicant Name: _____ (Indicate full name)

This form must be submitted by OE diplomate program applicants whose evidence of optometric education training is not included in their CV. While not an exhaustive list, examples of training topics include curriculum, pedagogy, assessment, educational theory, educational policy, and educational technology. The OE diplomate committee will require proof of cited training (e.g., diplomas, transcripts, confirmed conference registration, attendance certificates, and CE credits for lectures, workshops, symposia, or 'lunch and learns').

The minimum application OE training requirement is 10 points, which can be earned several ways:

The OE diplomate committee's assessment of OE training allows for different combinations of activities to meet the required 10 points (e.g., approval may be given for a submission that includes one multi-hour symposia plus four 'lunch and learns').
