PROGRAM PREVIEW

Boston Convention & Exhibition Center
PRECISION1® FOR ASTIGMATISM
READY TO PRESCRIBE

Born from the Water Gradient Technology of DAILIES TOTAL1®

• Featuring the proven PRECISION BALANCE 8|4® lens design
• 99% first-lens fit success rate
• Easy to handle

All at a mainstream price.
Fit your patients in PRECISION1® for Astigmatism.

*Based on lens movement, centration and rotation at initial fitting

Let’s Take a Walk on the Freedom Trail

This year’s meeting will truly be a first of its kind as we slowly and safely approach the “new normal.” Gathering in this storied city, for this historic meeting, will truly be a walk on the “freedom trail,” as we return to meeting together. As the planning continues for the on-site meeting, you can rest assured we will be implementing all safety protocols to maintain a safe and socially distanced meeting, following the CDC’s guidelines, as well as the state of Massachusetts’ guidelines. More information about safety measures can be found on page 2 of the Program Preview.

The Academy’s annual meeting offers a wide array of clinically relevant CE courses and cutting-edge research lectures in the clinical and vision sciences. Featuring more than 300 hours of continuing education in a variety of formats, from intimate hands-on workshops to large symposia, you’ll be sure to leave the Academy’s annual meeting with new knowledge and skills to bring back to your practice and improve patient care.

While at the annual meeting, you’ll also be able to walk the robust exhibit hall. With more than 100 companies exhibiting, we encourage you to plan time to visit the exhibit hall, attend Industry Lunches, breakfast sessions, Vision Theaters, and more. You will find an unmatched array of products, services, new developments, and advancements showcased by the Academy’s industry partners. And you won’t want to miss participating in our 2022 San Diego Giveaway for an all-expenses paid trip to Academy 2022 San Diego!

Held at the Boston Convention & Exhibition Center, the Academy meeting is centrally located and within walking distance from the host hotels, the Westin Boston Seaport and the Omni Boston Hotel. You’ll find the surrounding area easily navigable on foot, with a variety of dining and shopping options just a few blocks away.

When you’re not soaking up the education, there are a variety of sites to visit around the Boston area. If you want to see as much as possible, take a trolly tour and hop on or off at your pleasure. Take a stroll through Boston Common — 50-acres of sprawling parks, urban open spaces, and greenways, which wind through historic Boston neighborhoods. If you’re interested in the Freedom Trail, there’s a self-guided tour waiting for you. Last but not least, you won’t want to miss the Boston Tea Party Ships & Museum. No matter your interests, there’s something for everyone.

As we get closer to Academy 2021 Boston, we’ll be communicating pertinent updates, safety information, and “know before you go” tips via email, so be on the lookout.

Until we meet in Boston, I wish you and yours continued health and wellness.

Sincerely,

Timothy T. McMahon, OD, FAAO
President, American Academy of Optometry
Health & Safety Guidelines

Our top priority is the health and safety of all Academy 2021 Boston attendees, corporate partners, exhibitors, and staff. In planning for a live meeting, and in partnership with the Boston Convention & Exhibition Center (BCEC), the Academy will adhere to all local, state, and CDC regulations and guidelines:

While health and safety guidelines continue to evolve, the Academy will abide by all recommendations in place, which still may include:

- Required use of masks within the BCEC
- Increased spacing to enable social distancing in all areas of the meeting, including session rooms, exhibit hall, lounges, and public spaces
- Smaller capacity meeting rooms with spaced seating and designated entrances and exits to assist with one-way flows if required
- Increased directional signage within the BCEC to direct attendee traffic
- Attendee service areas designed to limit contact, plus additional safety measures, such as plexiglass dividers between attendees and ancillary service areas (such as Registration)
- Additional hand sanitizing stations throughout the BCEC
- Enhanced cleaning schedules and filtration systems within the BCEC
- Designated onsite medical professionals to assist as needed

*Subject to change as guidelines are updated.*
Registration

Beginning Tuesday, June 1, you may register:
- online: academymeeting.org
- email: registration@aaoptom.org
- call: (321) 319-4860 or toll free (844) 323-3937

Once you register for the meeting, you will receive a link by email enabling you to make your hotel reservations.

*Administrators, Librarians and Non-ODs: please email registration@aaoptom.org for a registration code.

### Registration Pricing Includes:

- **Continuing Education Session Access**
  - includes all educational programming except workshops, ACE courses, and leadership courses — additional fees apply

- **Exhibit Hall Access**
  - excludes the banquet — additional fees apply

### Social & Special Events

### Continuing Education Certificate

**Westin & Omni Satellite Registration:**
- Tuesday, November 2, 2021
  - 7:00 a.m. – 8:00 p.m.
- Wednesday, November 3, 2021
  - 6:30 a.m. – 7:00 p.m.
- Thursday, November 4, 2021
  - 7:00 a.m. – 6:00 p.m.
- Friday, November 5, 2021
  - 7:00 a.m. – 5:30 p.m.
- Saturday, November 6, 2021
  - 7:00 a.m. – 4:30 p.m.

### 2021 Cancellation Policy:

All cancellation requests must be received in writing. For a full refund less a $25 fee, cancellation requests must be received by September 10. Requests received between September 11 and October 1, will receive a full refund less 25%. No refunds will be issued after October 1.

The Academy has contracted with several hotels to offer attendees conference rates in hotels near the convention center and tourist district. Upon completion of registration, you will receive a link to book your room at the contracted hotel of your choice. For assistance booking a hotel *(registration required prior to calling)* please call Orchid Events at 1-866-365-1113 (International: +1-801-505-4139).

NOTES: To review each hotel’s safety protocols and policies, click on the “COVID-19 Safety” link for each.

The Academy aims to offer contracted hotel rates to all registered attendees. We ask that you please do not make two hotel reservations as this takes away room availability from other attendees.

**Co-Headquarter Host Hotels**

**Westin Boston Seaport**
425 Summer Street, Boston, MA 02210

Education ------------ ALL CE, ALL THE TIME™

At Academy 2021 Boston, you will have the opportunity to earn up to 32 Continuing Education credits.

**Section & SIG Symposia:**

Section and Special Interest Group (SIG) Symposia are your opportunity to receive extensive, specialized education from some of the most knowledgeable and respected experts in the interest areas. This year the Academy presents the following symposia:

- Academic Medical Center Optometrists SIG Symposium: From the Trenches: Complex Cases at Academic Medical Centers
- Joint Anterior Segment and CCLRT Section Symposium: Therapeutics vs. Sclerals: Is the Best Defense a Good Offense?
- Joint BVPO/PHEV Section Symposium: Diversity, Equity, and Inclusion in Pediatric Vision Care
- Comprehensive Eye Care Section Symposium: ExCELL & FLARE: A Uveitis Symposium
- Section on CCLRT Symposium: Breaking the Chains of Presbyopia
- Glaucoma Section Symposium: Monitoring Glaucoma: Optimizing OCT Analysis
- Joint Low Vision and Optometric Education Section Symposium: Effective Connections with Patients: Cultivating Skills for Difficult Conversations in Eye Care
- Neuro-ophthalmic Disorders in Optometry SIG Symposium: Larry Gray Memorial Symposium on Neuro-ophthalmic Disorders: Understanding Your Role in Neurosurgical Interventions of the Sellar Region
- Nutrition, Disease Prevention, and Wellness SIG Symposium: You Are What You Eat (And Smoke)
- Optometric Education Section Symposium & Workshop: From Diversity to Inclusivity: Cases in Health Professions Education Leadership
- Public Health & Environmental Vision Section and Vision in Aging SIG Symposium: The State of the Pandemic: A Public Health Update on COVID-19 for Eye Care
- Retina SIG Symposium: Hot Topics in Retina: Management of Complex Retinal Detachment and Macular Hole, and Inherited Retinal Disorders
- Vision Science SIG Symposium: Natural and Artificial Light: Visual Modulators of Human Physiology and Performance
- Joint Vision in Aging SIG and Public Health & Environmental Vision Section Symposium: Immunology of Aging: What to Expect as We Get Older

**Plenary Session:**

**A Conversation on Racial Bias and Its Impact on Healthcare**

*with Dr. Beverly Daniel Tatum*

Join us for the Academy 2021 Boston Plenary Session. This year’s plenary session will feature Beverly Daniel Tatum, PhD, noted expert on the psychology of racism and race relations. Dr. Tatum will bring her unique insights to jump-start a productive conversation and panel discussion on racial bias and its impact on healthcare.

Moderated by Academy President-elect Susan Cotter, OD, MS, FAAO, the panelists will include:
- Leslie R. Walker-Harding, MD, FAAP, FSAHM
- Marcela Herrera Frazier OD, MPH, FAAO
- E. Larry Jones, OD, HIS

A special thank you to ASCO and VSP for their generous support of this program.

Merton C. Flom Insight© Leadership Program

The Merton C. Flom Leadership InSight© Program is designed to help you build your leadership skills and realize your full potential. This year, the Academy is pleased to launch a completely revamped leadership program: Know Yourself: Foundations for Effective Leadership will be offered as a live introductory course at Academy 2021 Boston.

This course will be the introduction to a year-long interactive training program. These modules will feature both independent and live virtual activities organized and presented by luminaries within the field of optometry. Live virtual sessions will be held every four to six weeks.

Completion of the course will be recognized during a special celebration at Academy 2022 San Diego during our Centennial Celebration.

This new and innovative series will be available exclusively to Fellows and Candidates for Fellowship. The application window to participate will be open July 7 - August 23, 2021, 5:00 p.m. EST. This year round program will be $195 for those selected.

Continuing throughout 2022, the leadership program will offer eight learning modules focusing on:

- Principles of Effective Leadership I
- Principles of Effective Leadership II
- Embracing Diversity in Leadership
- Effective Communication in Leadership
- Leader’s Guide to Productive Meetings
- Public Speaking for Leaders
- Writing Skills for Leaders
- Mentorship: Present and Future Leaders
Armed Forces Optometric Society (AFOS) & Academy Annual Meeting

The Armed Forces Optometric Society (AFOS) is excited to hold its meeting in conjunction with the Academy meeting on Monday, November 1, and Tuesday, November 2.

Plan on attending this great in-person meeting in Boston, Massachusetts, featuring excellent continuing education designed for optometrists, residents, and students in the Air Force, Army, Navy, Veterans Affairs, Public Health and Indian Health Services, and enjoy the camaraderie of your federal service colleagues.

The meeting will include the important service specific breakout sessions that enable optometrists to meet with their respective service specialty leaders and discuss current issues facing their service branch. In addition, there will be opportunities to attend hands-on workshops and interact with fellow federal service optometrists and friends at events, including the 2021 AFOS Awards Ceremony.

Join us at the AFOS meeting for excellent continuing education, fellowship, an innovative exhibit hall, and much more. AFOS welcomes and encourages all interested in federal service optometry to attend, including students and residents. Register for the AFOS/AAO Bundle and plan on attending both meetings.

Student Events

Student Fellowship Program:
The Student Fellowship program is an opportunity for students to engage in advanced knowledge and technology through lectures, workshops, posters, and more. The program guides students in developing their skills as an optometric or vision science professional. To participate, you must be an OD student member of the Academy and sign up when you register for the annual meeting. Read the full Student Fellowship requirements for more information.

Resident Events

Residents, join us Friday evening to network with practitioners from the US and abroad looking to hire residency-trained ODs in the near future. RSVP required — look for your invitation this summer.

Don’t miss Residents Day on Saturday during the meeting. Residents Day is a forum where residents have the opportunity to present their interesting case reports or the results of their research projects.
