

2022 AAO Section on Cornea, Contact Lenses, and Refractive Technologies

PROPOSED BYLAWS AMENDMENT

SOURCE: Section Leadership

STATUS: Sent in Notification to the Section Diplomates

DATE: September 27, 2022 (Complies with sixty (60) day notice requirement of AAO SCCLRT bylaws, Article XII, Section XII.B.1 "With Prior Notice")

1 Background on the Proposed Amendment

2 The Section Leadership believes that it is in the best interest of the Section to change the
3 composition of the nominating committee. This would increase the influence and participation
4 of the Vice-Chair in selecting qualified and willing Diplomates to present for election to the
5 Executive Committee. The composition of the Nominating Committee would consist of the
6 Past-Chair, The Chair and the Vice-Chair if this amendment is accepted/passed.

7

8 Amendment

9 The attached SUBSTITUTION shall be the new bylaws of the AAO Section on Cornea, Contact
10 Lenses, and Refractive Technologies
