ICW GUIDELINES

AMERICAN ACADEMY  
of OPTOMETRY

The American Academy of Optometry (AAO) recognizes the need for groups to meet with industry colleagues and staff while attending **Academy 2024 Indianapolis**. These rules and regulations apply to any group with business related to the field of optometry and vision sciences. Events may be held during Academy 2024 Indianapolis from Monday, November 4 through Saturday, November 9. Review the guidelines below for the eligibility requirements, application information, and additional details.

## PERMITTED EVENTS

- Committee or investor meetings such as non AAO committees, task forces, or advisory board meetings.
- Focus groups, market research, or investigator meetings such as informal fact-finding groups brought together to assess the feasibility of a product, procedure, or results of a study.
- Hospitality or social events such as non-educational activities that include breakfasts, dinners, receptions (including Alumni Receptions), or similar events.
- Staff or board meetings which are limited to company employees or members of the board. This includes press meetings and sales meetings.
- Educational events (CE or non-CE), including but not limited to summits, symposia, and dinners will NOT be approved.

## AVAILABLE SPACE

The American Academy of Optometry controls all meeting and social event space in contracted hotels and the convention center during Academy 2024 Indianapolis. The venue will not reassign space without the explicit consent of the AAO. Events will be assigned to the best possible locations based on availability on a first-come, first-served basis with the caveat that there are a multitude of competing requests for space. While we will strive to honor the requested date and time for your event, the AAO reserves the right to alter the event schedule as needed to avoid conflicts with competing events and programs.

If, because of space limitations at the AAO's contracted venues, an organization or company needs to secure space for an event or function at another host city venue (not a contracted AAO space) you must first submit an online space request.

There is no available meeting space at the Indiana Convention Center. Anyone interested in space at the convention center must reserve an Expo Suite in the exhibit hall. We have limited availability.

**Hospitality Suites:** All requests for exhibitor hospitality suites (parlor suites connected to guest rooms) in hotels within the official AAO room block must submit an Affiliate Application Form. Hospitality suites are of limited inventory and are on a first-come, first-serve basis. There is no application charge for hospitality suites, and these are not guaranteed but based on overall inventory.

**IF YOUR EVENT TYPE IS NOT LISTED, CONTACT AFFILIATES@AAOPTOM.ORG TO DISCUSS YOUR EVENT BEFORE APPLYING.**

A few examples of outboarding are hospitality suites in hotels or near-by restaurants in which products are displayed or marketing materials are distributed or any situation where a company or person displays or discusses the sale of items by a non-exhibiting company. The only legitimate place to conduct business during Academy 2024 Indianapolis is within a contracted exhibit space on the show floor, and or an approved ICW/Affiliate event.

Any company or organization found holding unapproved events or events that are in violation of the policies outlined in this document may be subject to any of the following: an immediate end to any activities without regard to monies spent or presence of individuals, loss of any accumulated priority points, and/or restriction to exhibit or hold events at future AAO meetings. The AAO will not be responsible for expenses or losses resulting from the cancellation or termination of said noncompliant event(s).

Functions are to be consistent with the policies and requirements submitted in the application. Programs that deviate from the application descriptions may be subject to noncompliance penalties including denial of future group function space.
- The AAO neither endorses nor co-sponsor affiliate functions and the opinions presented at ICW function(s) are solely those of the organization sponsoring the function. Companies must not imply that the function is presented in cooperation with the AAO
- Each organization assumes full responsibility for their event(s) and dissolves the AAO from all liability.
- The AAO is not responsible for unsatisfactory attendance and/or marketing of this event.
- The AAO assumes no responsibility for determining whether requested events or companies are considered competitors.
- The AAO has the full authority to interpret or amend these rules, and its decision is final.
